

Good day KWSL referees,

The Kelowna Women's Soccer League has instituted a change to payment methods for referees in their employment starting at the beginning of the 2015 outdoor season. The 2014 season saw the introduction of the electronic funds transfer (EFT) which proved to be successful and beneficial to both the league and the referees using it. This season, we will be making this method of payment mandatory for all referees.

For cases where EFT is not possible, a processing fee of \$5.00 per cheque will be applied to all payments issued.

Those referees who signed up for EFT last year will not have to fill out another form for the current year, unless any information has changed since then. All other referees will be required to fill out the *Direct Deposit Authorization* form and return it to the KWSL Treasurer. In order to process all the banking information we will require that these forms are submitted prior to the 15th of the month in which you provided services to the KWSL, in order for payment to be properly processed with the monthly referee EFT payments (As outlined in the Referee Info and Policies, which can be found on our website www.kwsl.ca).

We thank you in advance for your timely remittance of the EFT application form.

Thank you all and we look forward to a great 2015 season!

Erin Courtney
